

5TH NEW ZEALAND MOBILITIES SYMPOSIUM: FUTURE MOBILITIES AND RESILIENCE

3-4 July 2014

Department of Public Health, University of Otago, Wellington
23a Mein Street, Newtown, Wellington

CALL FOR ABSTRACTS

We invite researchers from the social sciences and humanities to join the mobilities studies community in Aotearoa New Zealand in exploring current and possible future mobilities and resilience.

Work from any discipline is welcome. We encourage postgraduate participation. We are interested in empirical research and ideas about how people, things and ideas may move - or not - in the future, and how such mobilities may impact on human, economic and environmental resilience.

Presentation topics could include:

- likely future mobilities
- how people, things, or ideas may travel in the future
- resilience in the world of mobilities – past, present, future
- future movements across and within borders
- forecasting future mobilities; learning from successes and failures of forecasting in the past
- future communications and mobilities
- the future of different kinds of transport
- mobilities of specific groups
- pathways from current to future mobilities
- other topics relevant to the theme.

KEYNOTE PRESENTATIONS

- Dr Juliet Jain and Dr Billy Clayton, Centre for Transport & Society, University of the West of England.
- Dr Tara Duncan, Department of Tourism, University of Otago.

PRESENTATIONS

There is a single stream of presentations, to enable in-depth discussion, networking and development of themes.

We invite presentations:

- 20 minutes on the topics suggested or others relevant to the theme
- panels or group sessions on specific topics with up to four 15-minute papers
- other types of presentations of up to 20 minutes, e.g. short films, performance.

SUBMIT YOUR ABSTRACT

Email proposals to Marie Russell (marie.russell@otago.ac.nz) before **16 May 2014**, with *Mobilities Symposium* in the subject line. Include your name, email address, phone, affiliation, presentation title, abstract of up to 150 words (if accepted, this will be published in the programme), and a biographical note of up to 50 words.

REGISTRATION

- Registration is free but if you wish to attend you **MUST** register. Email Marie Russell by **13 June 2014**: marie.russell@otago.ac.nz
- The total number of registrations may be limited, to facilitate discussion
- Participants are responsible for their own travel arrangements, accommodation, and lunches etc.

PROGRAMME

Thursday 3 July: 10.30am to 5.00pm plus evening session
Friday 4 July: 9.00am to 4.00pm.

Hosted by: Department of Public Health and New Zealand Centre for Sustainable Cities

Contact: Marie Russell marie.russell@otago.ac.nz (04) 385 5541

Mobilities Network for Aotearoa New Zealand

Networking on the Move

The Mobilities Network for Aotearoa New Zealand is an informal network of researchers engaged in investigating transitions, connections and (im)mobilities and their consequences for people, places, ideas and things across disciplines and locations.

If you are interested in joining us, there are many ways to find us:

Become a member of eSocSci to receive all network announcements and emails on our national list by joining online at www.esocsci.org.nz/register/

Build our Network presence — www.esocsci.org.nz/networks/

Start a discussion in our Forum — www.esocsci.org.nz/forums/forum/mobilities-2/

Submit your conference paper to the Working Paper Series by contacting the Co-Editors: Dr Maria Borovnik m.borovnik@massey.ac.nz and Dr Matt Henry m.g.henry@massey.ac.nz

Search out our first special issue on 'Mobilities' in the journal *Sites: a Journal of Social Anthropology and Cultural Studies*, Volume 9, Issue No. 1, 2012. (print or e-journal)

Share your work at the annual Mobilities Symposium.

Our networking activities are fluid, interdisciplinary, open to work-in-progress and free!
